- Core Functions:*  
The core functions of the case manager are to provide or assist in providing:
- Identification of Needs*  
Complete a comprehensive and on-going assessment of the client's needs for medical, social, educational, and other related services. Address the barriers to accessing or utilizing chemical dependency treatment services and other services.

## STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State WASHINGTON

## CASE MANAGEMENT SERVICES (cont.)

## D. Definition of services (continued)

*Planning*

Prepare and implement a written service plan that reflects the client's needs and the resources available to meet those needs in a coordinated, integrated fashion.

*Linkage*

Facilitate access to needed services through linkages between support systems to avoid duplication of services. These services will augment/reinforce the treatment for chemical dependency.

*Advocacy*

Intervene with agencies/persons to help clients receive appropriate benefits or services. Also, help the client obtain a needed service or accomplish a necessary task. Be available to help problem-solve when there is a crisis in the client's treatment plan. Advocate for the client's treatment needs with treatment providers.

*Accountability*

Retain documentation of case management plan and services provided. Submit data as required.

## E. Qualifications of Providers:

Case management services will be provided through contracts between the Medicaid agency and chemical dependency treatment agencies certified under Chapter 388-805 WAC in order to ensure that the case managers for these clients are capable of providing the full range of services needed by these targeted clients.

Case management services will be provided by a Substance Abuse counselor who meets the requirements of a certified Chemical Dependency Professional or a Chemical Dependency Professional Trainee as defined in WAC 388-805.

## F. The state assures that the provision of case management services will not restrict a client's free choice of providers in violation of Section 1902 (a)(23) of the Act.

1. Eligible clients will have free choice to receive or not receive case management services.
2. Eligible clients will have free choice of the providers of other medical care under the plan.

Payment for case management services under the plan will not duplicate payments made to public agencies or private entities under other program authorities this same purpose.
